CIY is proud to present Tyndale Publishing and The New Life League's Manga Messiah. CIY has worked closely with Japan's premier Christian manga company to bring to life an amazing manga experience for this event. Every student attending will also receive a 64 page abridged version of Manga Messiah which is the life of Christ told in the Japanese manga comic art form.

What is manga anyway? Manga, (pronounced MAHN-gah or MANG-ah) is the equivalent of "comic books" in Western culture, it comes from a Japanese word, literally meaning "whimsical pictures". There is nothing whimsical about telling kids who the Messiah is! Manga is rooted in drawings as early as 1100AD and has evolved into an art form encompassing a significant portion of Japanese culture.
